

Attn All Staff  
Re: COVID-19 Pandemic Updates  
2020/03/27

The health and safety of you, our staff is of utmost importance to us. As we have been classified as an essential service, we are required by the Ontario Government to continue working.

We are therefore reminding everyone that you are **NOT** to report to work if:

- you are unwell,
- have come into contact with anyone who is unwell,
- have travelled outside of the country and are currently in self-isolation as required for 14 days after travel,
- have to care for someone who is unwell or has travelled recently

All the constructions sites are to be equipped with proper bathroom facilities, handwashing stations with soap and/or hand sanitizer. Employees are asked to wear their dust masks and gloves at all times, wash their hands frequently and practice physical distancing by maintaining the recommended 6 feet separation whenever possible.

If a site does not have the required sanitary equipment, you are not able to practice physical distancing, or you feel unsafe in any way, please inform one of our site supervisors and discontinue any hazardous work until the situation can be resolved.

If you have any questions or concerns, please do not hesitate to contact one of our supervisors - Geraldo Lino (416-833-3545) or Jaime Neves (416-432-4465) or call us at the office (905-278-7800).

Thank you,

David Lachapelle  
Vice-President
